LEARNING PROGRAMME

(contains 17 pages)

Fundamental field: BIOLOGICAL AND BIOMEDICAL SCIENCES

Field of studies: HEALTH

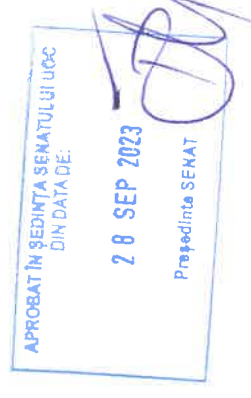

Cycle of studies: I + II

Study program (degree): DENTAL MEDICINE IN ENGLISH

Length of studies: 6 YEARS

Form of education: Frequency education (FE)

Valid starting with the ACADEMIC YEAR 2023-2024

FACULTY OF DENTISTRY

Fundamental field: BIOLOGICAL AND BIOMEDICAL SCIENCES

Field of studies: HEALTH

Study program (degree): DENTAL MEDICINE IN ENGLISH

Form of education: Frequency education (FE)

Length of studies: 6 YEARS (12 SEMESTERS)

Valid starting with: the study cycle 2023-2029

1. MISSION OF THE STUDY PROGRAM:

In the field of health, basic dental training provides the necessary skills for all prevention, diagnosis and treatment activities related to the dento-maxillary device (caries, parodontopathies, anomalies, etc.) (according to Directive 2005/36).

Training dental specialists, acquiring the scientific skills and a necessary teaching environment for the specialization of the students so that at the end of the six years of study they can practice the autonomous profession of dentist both in the country and abroad. Strong knowledge of materials used in dental medicine. Knowledge of the latest trends and methods of treatment for oro-dental pathology, application of dental evidence-based medicine in practice. Obtaining moral qualities and professional deontology as well as the ability to work in a team. Obtaining knowledge of computer science, foreign research and student mobility, modern information, adequate psychological structure of the idea of continuous training.

2. PROFESSIONAL QUALIFICATION, RELATIONSHIP WITH COR 2023 (EMPLOYMENT, LABOR MARKET POSSIBILITIES):

- *Qualification title:* Doctor of Dentistry
- *Core group from COR/ISCO-08/ESCO:* 2261 Medic dentist / Dentists / Dental practitioner
- *Targeted occupations from the COR/ESCO representative core group:*
 - o COR 2023/ISCO-08 - 226101 Dentist - Education level: 4 (higher education)
 - o ESCO 2261.1 - Dental practitioner

3. ADMISSION:

- Admission will be differentiated according to candidate status (EU and non-EU countries)
- Language proficiency test of English, marked with accepted / rejected and
- Competition based on the assessment of the eligibility of the files, in accordance with the scoring grid from the Faculty of Dentistry's own procedures.

4. CERTIFICATION OF STUDIES:

Bachelor's degree and a diploma supplement, issued by Ovidius University in Constanta.

VI	14	28	14	30	3	3	2	-	3	3	1 (Paște/Easter)	-	-		

9. SPECIFIC CONDITIONS FOR ADMISSION, PROMOTION / EQUIVALENCE OF THE YEAR OF STUDY / OF DISCIPLINE, TRANSFER ETC.

According to the legal provisions and regulations of "Ovidius" University of Constanta, in effect. (<https://www.univ-ovidius.ro/uoc/documente-oficiale/carta-si-regulamentele-universitatii>).

10. SELECTION OF OPTIONAL DISCIPLINES BY STUDENTS. SELECTION CRITERIA.

Students have an obligation to choose optional or optional subjects for the next academic year from 1 to 15 May. Each student will select one discipline from each optional discipline package. The minimum number of students in the group for organizing each discipline is minimum 15. Students who have not expressed their choice during May 1-15 will be assigned to one of the disciplines where the courses are held by the decision of the Faculty Council upon the proposal of the Director by the department. Criteria for grading students to choose optional subjects are the option expressed. Where appropriate, after the option has been expressed, the penalty criterion is the number of credits accumulated in previous years and then the average of previous years' studies.

11. STRUCTURE OF THE STUDY FINAL EXAMINATION:

Dental licensure exams - consists of three tests:

- Test 1 Assessment of the dental knowledge by a multiple choice test.
- Test 2 Practical exam - as a presentation of a clinical case.
- Test 3 Presentation of diploma thesis.

For promoting license exam will be allocated 10 additional credits

12. CONTINUOUS POSSIBILITIES FOR STUDIES OR ACCESS TO OTHER FORMS OF PERSONAL AND PROFESSIONAL DEVELOPMENT

- residency exam
- master
- doctoral studies
